Our policy on dogs - It is important to remember that a LOT of dogs visit us annually and if we are to maintain a clean and healthy environment for you and your dogs we need your cooperation. Free access kennels are located below the barn with a dog house, running water, lights, covered roof and 5'x 30' graveled runs. We also have 7 outdoor kennels next to the birdroom. If you prefer to keep your dog closer to you, you may board them in one of the built in houses or your own kennel in the Gun Room in the lodge for a fee of \$10 per day. Dogs MUST be kept in one of the "houses" or your kennel when owner not present and not left loose in the Gun Room. A dog in the Gun Room at any time will be assessed the \$10.00 fee. Any evidence of a dog *in the lodge or front yard* is subject to \$100 fee per occurrence.

Hen Field Release !! - New in 2006 was a minimum Hen release in the fields that allows you to shoot any pheasant that flies all that day plus the day of your "clean up" hunt. Bird Cleaning - Pheasants, Chukar and Huns \$2.50 ea. Quail \$1.50 ea. Filleted breasts and legs labeled in a zip lock freezer bag. Please give us advance notice if you'd like the cleaning service.
